To see a graph of these results over time, click the down arrow to the left of the student name.

This will display a graph over time of actual results, expected results and target results. Target results are set by the teacher user for their own students in the subjects they teach them.

To see only the most recent exam results uncheck all of the other exams.

The screenshot shows the 'Home' page of the Athena Tracker application. The 'Current Year Group' is set to '3' and the 'Subject' is 'Mathematics'. The 'Show Entrance Exam Results' checkbox is unchecked. The 'YEAR 3' tab is selected, and the 'Christmas' exam is checked. The table displays results for several students.
